

RUTH MAKIN TELLS HER STORY

The following testimonials are all from parents that have used Dr. Aron to treat their children. Many of these individuals had tried multiple specialists without success for years. Dr. Aron was able to restore the skin and give the children almost instant and permanent relief from itching and severe eczema. If you wish to correspond with any of these parents and ask questions, they can be found on Dr. Aron's Facebook Discussion Group.

Since Starting Dr Aron's treatment my 9 year old Daughter has stayed out of hospital and has been going to school every day for one whole year since the start of treatment. She has loads of food allergies, environmental ones too plus complications with Staph infections and Mrsa. She is much happier, her body is almost cleared, still on-going work with problem areas, e.g. hands, feet and mouth, but I'm so glad to have found out about Dr Aron after searching Face Book. Dr Aron's treatment has been a God send. I encourage everyone to try this. What have you got to lose? It's been a blessing.
